There is now a ward of 6 beds for septic
and tuberculosis patients. The S.G. is of opinion
that a new ward of 12 beds should be constructed.

for T.P. patients. The approximate cost of such a ward is estimated at Rs 3500.

2. The S.C. may be asked to submit proposals separately for the construction of the T.P. ward for consideration in connection with the budget for 1939-40. It is necessary to have an estimate of the recurring cost if any involved on account of the provision of a new ward.
